Adjustor Changes on Your Bill Beginning February 2013

In January, the Arizona Corporation Commission (ACC) approved two changes to your APS bill which will take effect in February 2013.

The first is for the Power Supply Adjustor (PSA) which is for fuel and purchased power costs. The PSA increased by \$0.005507/kWh. The second is for the Renewable Energy Standard Adjustment (REAC) which is for renewable energy projects, and is included in the Environmental Benefits Surcharge (EBS) on your bill. The REAC increased by \$0.002613/kWh to \$0.009575/kWh with a cap of \$142.25 per month.

Based on average energy use of 62,338 kilowatt hours per month, these fees will increase a typical bill by approximately \$342.74 and \$38.69, respectively. However, the exact impact on your bill will vary based on your energy use. For additional information on these changes, visit us at aps.com or call 800 253 9407 or 602 371 6767 (in Metro Phoenix).
