IMPORTANT NEWS ABOUT YOUR BILL

At APS we are committed to communicating changes that might affect you. On June 21, 2011, the Arizona Corporation Commission confirmed a change in the Federal Transmission Cost Adjustor (TCA) charge previously authorized by the Federal Energy Regulatory Commission. This is shown as a separate line item on your bill. The change more accurately reflects the current costs that APS incurs in providing transmission service to its customers. For general service customers with 20 kW or less using 1,430 kWh per month, this will increase their monthly bill by approximately 0.58% or \$1.24 per month. General Service customers with greater than 20 kW will see an increase of 0.31% or \$18.97 per month based on an average monthly energy consumption of 62,238 kWh. For tips and ideas for reducing electricity use, visit aps.com/save or call 602 371 6767 (in metro Phoenix) or 800 253 9407.
